Dear: Prospective 2020 Mora County Economic Development Corporation Member

Ref: 2020 MCEDC Membership Drive

Mora County Economic Development Corporation (MCEDC) is a Non-Profit 501(c) (3) Corporation working on behalf of the greater Mora Valley to stimulate economic activity for all business and landowners that consider Mora as their place of business and home. MCEDC is administered by a MCEDC Board of Directors, all of whom are dedicated to supporting and developing the economic fabric of our Mora County.

Accomplishments in 2019, all of which were supported by its 18 members, included completion of the LEADS grant for Los de Mora Growers Cooperative kitchen improvements, support of an AmeriCorps VISTA volunteer supporting community projects, sponsorship of a Mora community member attending a New Mexico Economic Development Course, representation of the Mora community at the North East Economic Development Organization (NEEDO), and providing support and financial contributions to other like-minded organizations advancing economic development in Mora.

Additionally, MCEDC recognizes it's most important and challenging goal is to work on establishing a full-service grocery store in the Mora valley. The Board is actively working in partnership with local efforts to re-establish this business in our valley.

The MCEDC Board is working closely with the New Mexico Economic Development Department in identifying financial resources to support local economic development projects. Your participation as a Member illustrates community support and enhances our ability to be successful as we work to strengthen the business climate in our County.

Attached is a MCEDC 2020 Membership Application Form requesting you to become a 2020 MCEDC Member. We encourage becoming a 2020 MCEDC Member to support future growth and prosperity in our County. By supporting our Community to grow, you support a better future for all!

Sincerely,

Merl Witt, President
